Antioch Man Found Dead in Fox River Tuesday is Suicide

No Evidence of Foul Play Found by Kenosha Coroner

Kenosha County Coroner William Rauhen announced yesterday that since no evidence of violence was discovered in his investigation into the death of George C. Calcott, 36, resident of the California subdivision at Lake Marie, the death was regarded as a suicide by drowning.

Attention was first focused on the death Tuesday when Kenosha County Sheriff's police investigated an automobile which was reported to have been parked on Fox River road north of Wilmet, Wis., for three days. Upon obtaining the license number and discovering that the car was registered in Calcott's name, the deputies contacted the Calcott home and discovered that Calcott had been missing since Friday, Oct. 1.

The Twin Lakes Rescue squad was summoned and the body of Calcott was recovered from the Fox river, which parallels the road at that point, within fifteen minutes. Rauhen said that Calcott had been unemployed since April and that his despondency arising from the lack of ability to find employment was probably responsible for the suicide. Also, he added that Mrs. Calcott had returned Friday from a medical examination where she had been told that an operation would be necessary. After this news Calcott left the home to try to borrow money and was never seen alive again. Ironically enough, a letter arrived on Saturday from a former employer, offering employment.

Calcott was born in Chicago May 20, 1918, and was a veteran of World War II. He is survived by his widow, Jean. Funeral services will be held Saturday at 1:30 p. m. at the Strang Funeral home.

Dollar Day a Success Chamber of Commerce Reports at Luncheon

Business Men Ask Elimination of Saturday Night Parking Fee

Dollar Day was a success, topping last year's record, Art Meyer, president, told members of the Chamber of Commerce at Monday's meeting at Smart's Country House. The stores were busy both Friday and Saturday as shoppers took advantage of the low prices.

George Borovicka, who provided special attractions for his one cent sale, held in connection with Dollar Day, said his rush started as early as Thursday evening and topped all previous sales.

The chamber passed a resolution asking the village board to eliminate parking fees on Saturday night. The business men said their stores are closed that night and that many people draw parking tickets in the mistaken belief that the meters are only in effect on Friday night when the stores are open.

The business men also decided to offer their services as volunteers in an auxiliary police system.

A.T.H.S. Band Will Present Concert Oct. 29

Members of the Antioch Township High School Concert band are tuning their instruments in preparation for the second annual fall band concert. The concert is scheduled to be held at 8 p. m. Friday, Oct. 29, in the high school auditorium.

This year's band is about 30 percent larger than it was last year. The youthful musicians are enthusiastic about providing for the community a really fine concert. Selections will include all styles of music from a Bach prelude and fugue to a swingy novelty "Serenade to an Insomniac." For an evening of good concert band music be sure to circle Oct. 29 on your calendar.

Band to March at Homecoming
Those attending the Antioch Township High School homecoming football game are due for a special treat when the band takes the field at halftime. Practice has been under way this week for a precision performance by the band. To insure expert performance the band members are having a contest among themselves to decide who are the best marchers. Reeves Drug store has agreed to provide banana splits this week and next for the rank which does the best marching.

Open House Sunday at Channel Lake School

Open house for inspection of the new addition to the Channel Lake school will be held from 2 to 5 p. m. Sunday.

Refreshments will be served to the visitors. They will be furnished by the board of education and served by the seventh and eighth grade girls.

The Channel Lake Community Club met Monday. The room award of \$2.50 went to the seventh and eighth grade room. The activities committee enjoyed a social evening at 8 p. m. Saturday, Sept. 23 at Stanley's resort.

Annexation Problem Ironed Out in Session Of Village Trustees

Wegner Property of Crown Co. Will Be Brought Into the Village

An agreement was reached between the Crown Realty Co. and property owners of Drom Ct. off North Ave. whereby the realty company will be permitted to annex its newly acquired Wegner property to the village if the lagoon it plans to build there is placed at the far east portion.

There was bitter argument as the property owners headed by Ellis Story and W. V. Lahli protested the placing of the lagoon near the rear of their properties at the village board meeting Tuesday night. They said it was a hazard.

The Crown Realty Co. plans to construct the basin to catch water draining from its new Knollwood subdivision across the highway to the north. The water would drain away gradually into the slough farther south.

Between the Wegner land and the Drom Ct. residences is a 27-foot strip and it is this strip controlled by the residents there that must be annexed before the Crown property can be annexed.

The Crown Realty Co. again met opposition from Trustees E. H. Glenn and Arthur M. Hawkins on its proposal that the village supply water to that portion of Knollwood subdivision on the Wisconsin side of Cross lake.

The trustees hesitated to extend service outside the village limits which they thought might jeopardize service to village residents themselves.

Decision on the matter was delayed until the next meeting.

Inability of the board members to agree as to whether a meter of limited parking time should be placed in front of the Reeves Drug store, caused the proprietor, George Borovicka, to withdraw his request. Borovicka was given a permit, however, to remodel the second floor room of his drug store, building for use as a recreation room by Antioch High School students.

September Rainfall Light, October Heavy With Mild Temperature

More rain fell in the first five days of this month than in the entire month of September, according to Roy Kufalk, Antioch's cooperative weather observer.

The rainfall for last month was 1.37 inch whereas for the first five days of this month the rainfall was 2.62 inches. The greatest rainfall in September was .31 inch on the 28th.

The highest temperature for September was 92 degrees on the 6th and the lowest 41 on the 23rd.

With the exception of where there was hail damage the corn in the Antioch area is good this year. North of Antioch in Wisconsin hail did much damage on July 8 and on July 9 there was further damage from hail.

Kufalk recalls that on Sept. 25, 1942 snow fell between 8 and 9 p. m. and remained on the ground several hours. That year there was killing frost on the 26th and again on the 28th when the temperature got down to 27 degrees.

There was a light frost, the first for the year last night in certain areas.

Dr. Barnes Addresses Men on Mental Health

The Methodist Men's Fellowship of Antioch heard a discussion by Dr. Eugene Barnes, Waukegan, on mental health at its dinner meeting Monday.

Dr. Barnes, who is on the staff of the Veterans Administration at Downey in addition to his private practice in Waukegan, said that parents can condition the mental health of the individual during his childhood days.

Faith Lutheran Church To Be Built South Of Village On Main Street

Ground Breaking Monday To Start Construction Of Building

Ground will be broken Monday for the Faith Evangelical Lutheran Church of Antioch.

The new structure will be erected on a three-acre plot of land which the congregation acquired two years ago immediately south of the village limits on Rte. 21-83, on Main street.

The building will be of faced brick in a modern style along conservative lines. It will be 72 feet long by 36 feet wide at the nave. There will be a full basement which will be used ultimately for educational purposes and other parish activities.

The nave will have a seating capacity of 140 for the audience and in the choir area.

The building is planned in such a way as to allow for future expansion. B. J. Bruns of Chicago is the architect.

Lutheran services have been held regularly in the Antioch Legion hall for the past ten years. The congregation was formally organized as Faith Evangelical Lutheran church in 1951, and holds membership in the Wisconsin Synod and the Synodical Conference of North America.

Donald Holem is president of the congregation and Elmer Rentner is chairman of the building committee.

Lightning Rips Home Of Herman Assmans In Bleich Subdivision

Lightning struck the residence of Herman Assman in the Hugo Bleich subdivision south of the village at 5:45 a. m. Saturday.

The bolt struck the center of the roof and went straight to the ground making the three-foot square hole in the roof, splintering rafters and roof joists, and knocking off plastering.

Mr. and Mrs. Assman, asleep in a bedroom not more than 15 feet from where the lightning struck, were unhurt, but terrified.

Firemen were called, but the lightning did not set fire to the building. Chief Edgar Simonsen said the \$18,000 home had damage of at least \$500.

Petty Advises Against Further Expansion Of Antioch Grade School

County Superintendent W. C. Petty, principal speaker at the open house and dedication of the new addition to Antioch Consolidated Community school Sunday, said, in effect, that the present plant has reached the practical limit in size and that further needs should be satisfied by erecting new schools, rather than enlarging upon the present one.

Petty pointed out that single schools with large enrollments are apt to lose sight of the individuals, and that as a consequence educational levels suffer. For this reason, he advised that when further expansion is made necessary by increased enrollment, a complete new plant be sought.

Approximately five hundred persons visited the school Sunday and were impressed by the beauty and efficiency of the new addition, which was put into use at the beginning of this school year.

Antioch Masons Invited To Waukegan Meeting

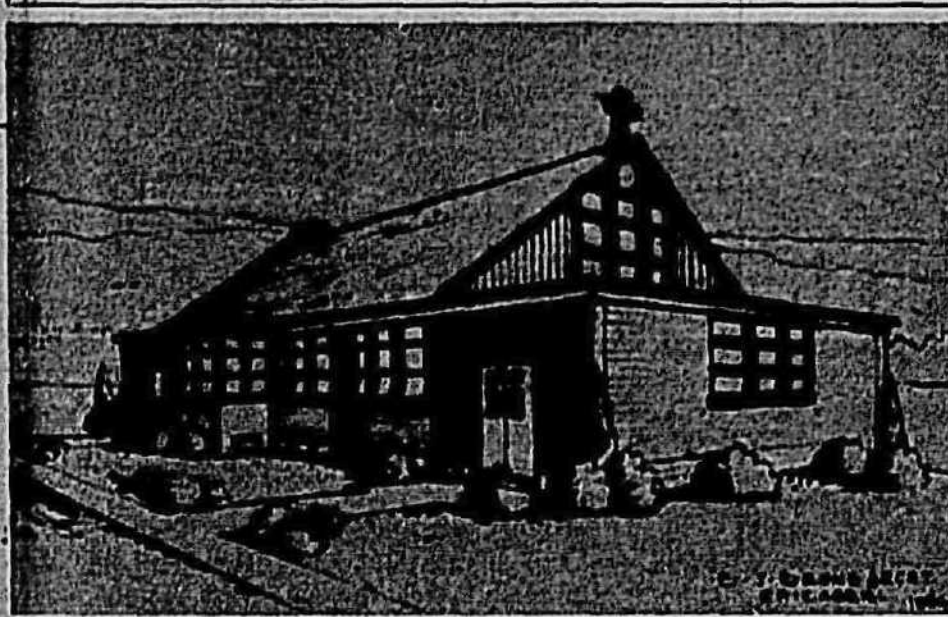

Antioch and Milburn Masons have been invited to the annual past masters' night dinner of Lodge No. 78 A. F. & M. in Waukegan at which 35 living former masters of that lodge will be honored.

Dr. Charles Ray Goff, pastor of the Chicago Temple church, and known as the "Shepherd of the Loop," will speak on "What a World." He recently returned from a trip around the world.

Entertainment will be furnished by the Mid-State Four, a barber shop quartet from Chicago.

Three 50 year members will be honored. They are Dr. Harry Hoyt, Ray Whitney, and D. I. McDonald. Ten 25-year members will also be recognized. Atty. Charles Mason will be the toastmaster.

New Lutheran Church of Antioch

Architect's drawing of the new Lutheran Church soon to be erected on South Main street by the Lutheran Church of Antioch. Shown in the perspective drawing are the south and east sides of the new building.

Fred Swanson Made 33rd. Degree Mason

Fred B. Swanson, proprietor of the Antioch theatre, has returned from Boston, Mass., where he was crowned a 33rd degree Mason.

This is the highest honor that can be bestowed on a Scottish Rite Mason, and Swanson said that to the best of his knowledge he is the

first Mason living in Lake county at the time the honor was received. Mr. Swanson has been a civic minded citizen through the years. Much of his activity has been in the Order of the Mystic Shrine, Chicago, and past potentate of Medinah Temple.

Sorenson Bait Shop Burglarized Friday; Loot Valued at \$1,100

Burglars striking for the third time within 10 days in Antioch stole an estimated \$1,100 worth of stock from Ed Sorenson's Bait Shop on Rte. 59 last Friday night.

The place was entered between 9 p. m. and 4 a. m., and Sorenson believes the burglary took place before midnight after which rain fell. A rear window was pried open with a screw driver.

It is believed that the burglar was frightened away because some of the loot was left in a pile in the middle of the floor.

Most of the stolen goods comprised shotgun shells, but considerable fishing tackle and hunting gear and other equipment were taken. Sorenson is bemoaning the fact that his personal hunting outfit, gun and all, were taken.

Sorenson just opened the bait shop last May.

No clew was left, but Antioch people are beginning to think that the burglaries are by local talent.

Four Hurt in Accident on Rte. 173 Monday

Four persons were hurt in an automobile collision on Rte. 173 west of Rte. 45 late Monday afternoon.

Treated at St. Therese hospital, Waukegan for minor injuries were Mrs. Ruth E. Farm of Bristol, Wis., her son, Marvin, 5, Gerald Bey, 25, of 1510 Laurel Ave., Waukegan and his passenger, Herman Bey.

Mrs. Farm told sheriff's deputies she swung out to pass a horse-drawn wagon and crashed head-on into the pickup truck driven by Gerald Bey. She suffered a head cut and her son from shock. The Bays suffered head cuts.

To Renew Practice Warnings

John L. Horan, civil defense director for the village of Antioch, will again put into practice a weekly practice alarm to acquaint the people with the "air raid warning signals" as requested by the state defense program. The siren, recently moved from the village hall to the water tower, will again be blown in short and long intervals.

Antioch Youth Center To Have Open House In New Rooms Sunday

Parents May See Wigwam Prepared by Students Above Drug Store

Open House for the Wigwam—Antioch Township Youth Center, will be held at 7 p. m. Sunday in the new quarters above Reeves drug store to which Antioch High School students and their parents are invited.

The teenagers have been working nightly in preparing the place for use. Doors have been cut, partitions removed, plastering patched, and walls painted in a room 30 by 80 feet which will serve as the recreation room of the young people.

The parents have been asked to come to the center and see the work the boys and girls have done. They will be given first hand information about the organization and its new home, the use of which has been provided without charge by Drug-gist George Borovicka. Coffee and cake will be served to all.

Plans are to lay a new flooring later. The flooring has been donated and expert direction in the laying of the floor will be sought.

There will be a darkroom for photographers and a hobby crafts room.

Just what evenings the hall will be open have not been decided but the hobby rooms probably will be open at all times.

Heading the organization are Ed Haling, president; Don Cardiff, vice president; Garnet Seyfarth, secretary; Joanne Quilty, treasurer; and Sheryl Mair, assistant secretary.

Serving on the adult advisory board are Mr. and Mrs. Harold Wilson, Mrs. R. B. Seyfarth, Harold Cardiff, Mrs. William Terry, and Jaque Koppen.

Business Men Invited To Enter Floats In Homecoming Parade

Antioch business firms and organizations are invited to enter floats or cars in the Homecoming parade on Friday, Oct. 15 by the Antioch Township High School. Places in line will be reserved until Wednesday, Oct. 13.

The bonfire and pep session will follow the parade.

Floats and cars will be judged in three groups—student organizations, student cars, and business floats and cars.

Glennbrook will be the opponent at the game Saturday, Oct. 16, and at the dance, that night to which alumni are invited, special recognition will be given to members of the oldest graduating class present, and to the youngest members of last year's graduating class present. A Homecoming queen and her court will rule over the game and dance.

Fire Chief Simonsen To Seek Compulsory House Number System

Fire Chief Edgar Simonsen says the California Subdivision at Lake Marie which is making plans to become incorporated, has a system of identifying properties that is exceedingly helpful to the fire department.

The streets, Chief Simonsen says, are numbered consecutively and the houses bear the number of the lot. With this arrangement and the department having a plot of the subdivision, a call to the department by house number will bring the department quickly to the right place.

As it is now it is difficult to get direction to some fires and time is lost.

Simonsen is suggesting a similar plan to other subdivisions and hopes to have a card index system giving proper location for all properties. He will suggest to the Fire District officials that a plan of address be made compulsory.

Salem Center F. T. A. Meets

Playground insurance and a night course in first aid were discussed at the first meeting of the Salem Center F. T. A. Tuesday at the school. The new officers in charge were Arthur Cook, president; Mrs. Don LaMeer, vice president; Cecil Elyea, treasurer; Mrs. Henry Frautschi, secretary; Mrs. George Lebangood, hospitality chairman; Mrs. Howard Buening, summer roundup chairman; Mrs. Jack Zubor, National P. T. A. magazine chairman; Mrs. William Couch, budget chairman; and Mrs. Henry Wloski, publicity chairman.

Sequoits Take Two From Ela-Vernon Here 26 to 0, and 19 to 0

Will Play Grayslake Rams There Next Saturday Afternoon

The undefeated Antioch Sequoits will go to Grayslake High school Saturday afternoon for a twin bill with the Rams.

Grayslake has lost its two conference games, but by a close margin. Last week's game was lost to the Grant Bulldogs by one point. "We're taking them seriously," was the comment of the Antioch coaches.

The freshmen and sophomore teams will play first.

Antioch had very little trouble in beating Ela-Vernon here Saturday night 26 to 0. The Sequoits ran up a 19-0 score in the first quarter and then coasted the rest of the game.

Fumbles by the Lake Zurich school enabled Coach Paul Kessenich's team to get off to its flying start. The first fumble was recovered on the Bears' 11-yard line and on the third play Bill Gallagher, Antioch fullback swept around end for six yards and the goal.

Another fumble of the Bears on the 22-yard line set the stage for the second Sequoit touchdown which was made on a pass from Warren Brownlee to Roy Ballwanz.

The third touchdown was a spectacular 85-yard punt return by Jack Lawrence who was aided by some brilliant blocking all the way, with Ben Floyd and Jerry Meyer throwing key blocks. Chuck Davis kicked the extra point.

The fourth touchdown came in the second half when Bill Blake took advantage of a quick opening play to dash 75 yards to the goal. Davis converted the point.

The Antioch Soph-Fresh team beat the Ela-Vernon underclassmen 19 to 0. Lonnie Christensen, right half, made all of the Sequoit touchdowns. His first TD was in the first quarter on a 20-yard pass from Quarterback Bill Barnstable. This was repeated in the second quarter. In the last quarter Christensen went off tackle for a 15-yard run and touchdown. The one point after touchdown was made by Barnstable on a quarterback sneak.

Give Patrol Boys Candy

Mothers of the afternoon kindergarten class of the Antioch Grade School and Tony Stanich, proprietor of King's Drug store, together presented each patrol boy of the school a box of chocolates at 2:15 p. m. Tuesday in recognition of their services in helping the children across streets at the school. Mrs. Russell Luedtke made the presentation in the school cafeteria.

To Consider Parsonage Sale

A meeting of the members of the Antioch Methodist church has been called for Sunday, October 17, after the church service at which time a proposal to sell the parsonage will be considered. The officials have received an offer from a firm that wants to sell the residence and use the ground for a business site.

Fire Prevention Week

Carrying out the proclamation of Governor William G. Stratton, Antioch is observing Fire Prevention Week.

The Antioch Fire department has started its annual inspection of business places to eliminate hazards. The schools were inspected earlier in the year. Chief Edgar Simonsen said, but they will be inspected again.

Since many fires start from collection of trash, from faulty wiring, carelessly placed cigarettes, the public is called upon to increase its vigilance in eliminating these causes.

A Simple Matter

It is probably true that a good many people who'd like to invest some of their savings in stocks don't do so for the reason that they aren't sure how to go about it.

Yet, as the Wall Street Journal has pointed out, "It's as easy to buy a stock as it is to purchase a television set or a washing machine. The investor merely enters a brokerage office and tells an employee: 'I'd like to place an order.'"

For his service, the broker charges a commission, which is based on the price of the stock and the amount of the transaction. That commission is moderate. For example, if the customer buys 100 shares of a stock selling at \$40 a share, a firm which is a member of the New York Stock Exchange will charge \$35. If he buys 50 shares (known as an odd-lot) at \$30 a share, the commission is \$18. These commissions are much less than is generally charged by agents dealing in other kinds of property, such as real estate.

Moreover, nowadays it isn't necessary to pay cash for all the stock you want. A pay-as-you-go purchasing system went into effect several months ago that a great many people have taken advantage of. This is also handled through the brokerage houses, and payments may be as little as \$40 a quarter. It's just like buying a car or a TV set on time, with one important exception—if the purchaser stops making his payments he doesn't lose what he's invested. He gets whatever amount of stock he has paid for.

Stock ownership is for the many, not the few—as the fact that more than a third of all shareholders are in the \$2,000-\$5,000 income bracket proves. And the mechanics of buying it are geared to meet the needs and desires of the many.

Profits and Taxes

Who prospers when an industry goes ahead, expands and develops an ever-broadening market for its products?

The obvious answer is everybody—workers, owners, and consumers. But there is one more beneficiary we may overlook—and that is government.

The oil industry is a first-class case in point. Back in 1933, its tax bill was a trifle over \$1,000,000 a year. Ten years later, in 1943, it paid a little less than \$1,700,000,000 in taxes. Then the tax load really started to soar. Last year, according to an American Petroleum Industries Committee report, the industry's payments to the tax collectors totaled almost \$5,000,000,000—some five times the figure of 20 years ago.

This brings up another important point. Accounts of the profits made by an industry often fail to mention the proportion of those profits that must go for taxes. The Committee reports that, last year,

it was not unusual for an oil company to pay more in taxes than it paid in dividends to stockholders. It was also not unusual for the tax burden to exceed the total wages paid to all its employees.

Left-wingers are forever damning the profit motive—which is the force that makes the free enterprise system click. But that profit motive is responsible for our material strength as a nation and for our unprecedented living standards. And, out of those profits, come much of the revenue that pays government's huge overhead.

Solving an Agricultural Problem

Between September 30 and October 9 the most intensive beef marketing campaign in history will be conducted, aimed at the housewife. Participants in the drive will include the U. S. Department of Agriculture and groups representing cattle producers, distributors and packers.

This will be an outstanding example of how men and organizations can work together to solve an agricultural problem without benefit of government subsidies, price supports, or other such artificial props. This year's cattle marketings are expected to set a new record—3,000,000 head above the prior all-time high set last year. And, if existing drought conditions in some major producing areas continue, marketings during the next few months will be extraordinarily heavy.

Beef is a perishable commodity that can't be stored for any length of time. The pending campaign is designed to see that the vast supply moves on to the nation's dining tables.

Special emphasis will be placed on low-cost beef—the kind that is used for stews, pot pies and other such succulent dishes. And it will be pointed out that beef is an excellent buy, for the reason that record supplies are finding their reflection in lower prices.

There is full confidence that the campaign will be a striking success—to the benefit of both producers and consumers.

The Low Down From Hickory Grove

This "land of the free and the home of the brave" slogan of ours needs some scrutiny. We been taking it for granted. But when you look close there are some leaks showing at the seams. The "freedom" part of the slogan looks dubious when you say to yourself, "I reckon it would be a good idea to have a little speck of gold in the sugar bowl for an emergency."

Since 600 B. C. when the King of Lydia first minted some coin, there has been just one world-wide item that has always had value—gold coin. And before that time, gold nuggets, hammered gold or what had you in gold came first and always the desired possession. And this leads up to why our "land of the free" notion may need a valve grind, new spark plugs or something. We are not clickin' just right. This notion of "freedom" gets a crimp—and you get in the jail house, if you are caught with a couple 10 buck gold pieces in your denims.

Regulation and regimentation has been heaped upon us for 20 years—we would hardly know freedom if we met it down on Main street. Other countries—world wide—let their citizens possess gold if they choose, but for us "enlightened" folks here in this "land of the free," taint so. It is time to slow down and check our oil.

Yours with the low down,
JO SERRA

Mesdames Clara Troesch, Clara Troesch, Anna Nader, Georgia Avery, Cora Hamlin, Martha Dunbar, Mrs. Ruth Erickson and daughter were guests of Mrs. Herbert Fischer and aunt, Miss Margaret Birk at a luncheon last Wednesday afternoon. Miss Birk has been at

the Fischer home for several months and expects to return to her home in St. Louis very soon.

Mr. and Mrs. T. J. Tronson who have lived in Lake Villa for a number of years and for 18 years in the Sherwood house on the corner of Grand avenue and McKinley, have moved to the Haerther tenant house on the Deep Lake road. Kenneth Hart of the Lake Villa Trust and Savings Bank moved with them.

Mr. and Mrs. Lester Bunkelman have Mr. Bunkelman's mother from Fond du Lac, Wis., as guest for a few weeks.

Mr. and Mrs. Richard Whitaker of the Weber Duck farm have gone to Wrentham, Mass., to visit Mr. Whitaker's mother and sisters.

Mr. and Mrs. C. N. Dunbar of Petite Highlands were dinner guests of Mr. and Mrs. Elroy Balfanz at Maywood last Sunday. Mr. and Mrs. Balfanz were former neighbors of the Dunbars at Petite Highlands.

The Nelson Realty Co. has purchased the Sherwood house recently vacated by the T. J. Tronsons and intends to remodel extensively.

RECENT RESEARCH: Recent home interviews show more Chicagoland women want a dryer than any other work saver.

She goes through this
every washday—

WHY?

AN ELECTRIC DRYER TAKES THE WORK OUT OF WASHDAY
...yet costs only \$1⁹³ a week to own.

Dial clothes dry the way you wash them—inside, in minutes, electrically!

Maybe your wife has a good washing machine. But it won't lift water-heavy wash or hang it on the line.

Why must she work so hard every washday? An automatic electric dryer is easy to own. Why put it off?

Look, an electric dryer is only a step from the washer. And, nothing touches your clothes but clean, fresh, electrically heated air. (Fastest and cleanest for drying clothes.)

Clothes are easier to iron when perfectly conditioned for it in an automatic electric dryer. Many things come out ready to fold and put away—smelling sweet as all outdoors.

What about it? For only a few dollars down and \$1.93 a week you can own a modern automatic electric dryer. See the latest models at your nearby appliance dealer's or our store. Today would be fine.

Miss Nancy Sheehan Becomes Bride Of G. A. Barth, Saturday

Miss Nancy Sheehan, daughter of Mr. and Mrs. D. E. Sheehan, 1028 Victoria st., became the bride of Gene Allen Barth, son of Mr. and Mrs. Carl A. Barth of Minonk, Ill., in a double ring ceremony Saturday, Oct. 2, at St. Peter's church. Father Henderson officiated.

The bride, given in marriage by her father wore a gown of princess lace and satin with fitted bodice, fashioned round neckline embellished with sequins and pearls, tapered sleeves. The bouffant skirt featured inserted pleated nylon panels that fell into her formal train. Her headpiece a matching calot trimmed with scalloped pleated nylon tulle with sequin trim, held her silk illusion veil. Her flowers were white mums.

Diane Sheehan was her sister's maid of honor. She wore a floor length gown of camellia red satin, featuring bolero jacket, bouffant skirt, scattered with satin appliques, with rhinestones and matching tiara of nylon tulle. She carried a cascade bouquet of yellow mums. The bridesmaids were Barbara Schroger, Onango, Ill., Doris Petersen, and Janet Sheehan, who wore floor length gowns of turquoise satin with matching tiaras of nylon tulle. They carried cascade bouquets of yellow mums.

Stanley Konwinski of Minonk served as best man and the ushers were Robert Curley, Joseph Pechulis and Jerry Barth. Miss Sylvia Beelow accompanied at the organ by Mrs. Dorothy McGreal sang "Because," "On This Day" and "Oh Beautiful Mother."

The bride's mother wore a dress of fawn blue with matching accessories and the bridegroom's mother was attired in blue with matching accessories. They wore orchids.

Immediately following the ceremony a reception was held at St. Peter's hall. Pouring at the reception were Marge McCann, Ann McMillen, Mary Fields, Marlene Clawson, Shirley Nelson and Alice Sondry.

The bride is a graduate of Antioch Township High school and attended Illinois State Normal university. The groom is a graduate of Minonk High school and served four years with the U. S. navy. He is employed with the Public Service company as lineman.

The newlyweds left following the reception for a trip through the western states.

Grass Lake Boy Scouts Hold Court of Honor; Two Leaders in Army

Grass Lake Boy Scout Troop 80 held a court of honor Thursday, Sept. 29 at the Grass Lake Scout home.

Boys receiving first class badges were Robert Schwab, Kenneth Stepien, George Aminer, and Thomas Golden.

Second class badges—Wayne Barker, Kenneth Muzzuca, Lester Hribar, and Richard Shelton.

George Halvorsen received six merit badges that he earned while he was counselor at Camp Makajawa this summer.

Boys also receiving merit badges earned at camp were Kenneth Muzzuca and William Hart.

The troop is sorry to hear John and George Halvorsen are leaving for the army next week. John has been an assistant scoutmaster and George, an explorer scout, helped the troop. They will be missed by everyone.

Lester Hribar, scoutmaster, went to Lake Geneva Sept. 24, 25, and 26 and took the regional training course.

The boys camped at Fort Sheridan Oct. 1, 2, and 3 for their junior leader training course. Scoutmaster Hribar and Mel Knarsh accompanied them.

RETREAT PLANNED FOR ALTAR, ROSARY SOCIETY

Ladies of the Altar and Rosary Society of St. Peter's Church are planning a retreat for all women of the parish which will begin at 10:15 a. m. Sunday, Oct. 10 at the Benet Lake Abbey. Father Bede will serve as retreatmaster for the day which begins with high mass.

Mrs. Joseph DeStephano, chairman, has asked the women to bring lunch for themselves as the gathering will not end until 4 p. m. Those desiring transportation are asked to call Mrs. Thomas Pechousek at 150-W. Those driving will meet at the abbey gate.

The high school Methodist Youth Fellowship will go on a hayride from the church at 5:45 p. m. Sunday.

Lions to Meet Monday

The Lions Club will meet at 7:15 P. M. Monday at Smart's Country House for a roast beef dinner. A movie will be shown for entertainment.

Dean Kelly to Speak On Human Suffering At St. Ignatius Church

The Very Rev. Alden Drew Kelly, Ph. D., S.T.D., for the past eight years dean of Seabury-Western Theological Seminary, Evanston, will be the guest speaker at St. Ignatius' Episcopal church in Antioch at 8 p. m. Wednesday, Oct. 13.

The church is highly honored, Fr. Edmund E. Hood, priest of the parish, said, in having Dean Kelly as one of its monthly guest speakers.

"His topic, 'The Problem of Human Suffering,'" said Father Hood, "should prove to be of intense interest to every Christian man and woman. It should be of intense interest because sooner or later it is bound to become a major problem in their lives."

It is the problem of human suffering as it is seemingly opposed to the goodness, justice, and mercy of God. Why does mankind have to suffer? What is the ultimate purpose and destiny involved in suffering? Why should a young child die of an incurable disease while the wicked appear to be prospering? These are just a few of the questions which occur to all men at one time or another. As may well be seen, this topic promises to be one of the most stimulating sessions of the entire series. It is certainly one with which we all, at one time or another, are forced to face and adjust to."

The service will begin promptly at 8 p. m. in the Parish church with the Evening Office and conclude with Dean Kelly's discussion upon the problem of human suffering. The choir of the Parish will sing. It is sincerely hoped by the parish pastor that all who would be interested in this topic and would care to attend would feel free to do so. The public is invited.

Girl Scout Council Has First Meeting in Antioch Plan Events for Troops

The lakeside Girl Scout Council held its first meeting of the year on Oct. 23 at the Antioch Scout House, with Mrs. Theodore Owens presiding.

It was announced that the Council Girl Scout Cookie sale will start on Oct. 24 through Oct. 30. The cookies will be made by the Burry Cookie Company. Leaders are to give their orders to Venita Cowell by Oct. 8.

Plans for the Council Play Day have been changed. Henceforth each neighborhood will make plans to hold their own Play Day.

The Waukegan Girl Scout council is offering an overnight pioneer training course, and it is open to all registered adults of all areas. This is a licensing course, and it will take place at 2 p. m. Oct. 16 and 2 p. m. Oct. 17.

Mrs. Phyllis Schmidt, the program chairman, reported that the first meeting for Leaders' Workshop will be held at 8 p. m. Oct. 12, in the Round Lake Community church. The time will be used to learn and practice textile painting. The paints will be furnished for those who bring a tea towel handkerchief, etc. to practice on.

Mrs. Arthur A. Storch of Lake Villa was elected provisional president of the Lakeside Council. The council, which directed the activities of 675 girls in 36 troops the past year has as other provisional officers Mrs. Grace Kingsbury of Round Lake, vice president; Miss Pearl Scully of Antioch, recording secretary; Mrs. Wallace Halla of Round Lake, corresponding secretary; Mrs. Ellis Kipp of Grayslake, treasurer; and Mrs. Victor Nordling of Fox Lake, registrar.

New by-laws will be approved at an annual meeting in the spring. Meanwhile the group will have its first board meeting at the home of Mrs. Storch, at 8 p. m. Oct. 28.

The new board members elected, also provisional, are Rita Conyers, Round Lake; Miss Cornelia Roberts, Grayslake; Mrs. Catherine Trowbridge, Grayslake; Mrs. Phyllis Schmidt, Round Lake; and Mrs. Theodore Owens, Fox Lake.

The nominating membership committee was also elected, not provisional as follows: Mrs. Charles Garrett, Lake Villa; Mrs. Donald Jewel, Gages Lake; Mrs. Postlewait, Big Hollow; and Mrs. Dorothy Peterson, Round Lake.

Mrs. Anna Kempf, 73, Petite Lake Resort Owner, Dies Wed.

Mrs. Anna Kempf, 73, Petite Lake, Antioch, died at 5:35 p. m. Wednesday at Victory Memorial hospital, Waukegan, following a lingering illness. Mrs. Kempf was born July 14, 1881 in Czechoslovakia, coming to America at the age of six, settling in Chicago, where she lived until 1928 when she came to Antioch. She was a member of St. Peter's church and of the Royal League of Antioch, 313 Ladies of LaFayette.

She operated Kempf's Beachwood Resort, with the assistance of her sons Charles and Louis, since the death of her husband, Charles, in October 1935.

Besides her two sons, both of Petite Lake, she is survived by one sister, Mrs. Mary Lorr of Antioch and three grandchildren, Mary Ann, Louis Jr., and Charles G. Kempf.

Funeral services will be held at 9:30 a. m. Saturday, Oct. 9 at the Strang funeral home and from there to St. Peter's church at 10 a. m. Interment will be in the family lot.

Antioch Leads Villa In Sale of Tickets For Globe Trotters

Lake Villa and Antioch committees are waging a spirited competition to record an early sellout of tickets to the basketball program featuring the Harlem Globe Trotters October 21 in Antioch High school gymnasium.

Latest reports indicate the Antioch Lions club is leading by a nose over the Lake Villa Men's Club which has a less populous area to canvass.

The Globe Trotters, led by the clowning Goose Tatum and the seven foot Walter Dukes, will play the Antioch House of David quintet starting at 8 p. m. Trick passing exhibitions by the Trotters and star vaudeville acts supplied by the A. M. Saperstein Enterprises will be woven into the program.

Walter Curtis, chairman of the Lions Club committee in Antioch, says there has been a sell out of the \$5 tickets in Antioch, but if there is any group who still desires these tickets he can arrange to get them if they apply at once. The \$2.75 tickets are going rapidly and Curtis expects a complete sellout.

The Globe Trotters, House of David, the vaudeville acts, and the referees are appearing at Mr. Saperstein's expense, so that the \$3,000 income will all go to the Antioch-Lake Villa area.

Out of this fund, Antioch High School will get a football scoreboard from half the receipts and the other portion will be distributed by the Lake Villa Men's club for its charity activities.

The Lake Villa committee headed by Chairman Don Summers, comprises Vern Blust, Charles Von Oeyen, Earl Caldwell, Warren Brown, George Sebela, George Frolik, Ed Langbein, and Harry Weber. Tickets are available from these men and in Summers' pharmacy in Lake Villa.

In Antioch the tickets are available at Reeves Drug Store, King's Drug Store, Card's Restaurant, and the Antioch News.

Committees Selected For Homecoming at Antioch High School

Committees have been chosen for the annual Homecoming of Antioch township October 15 and 16 with Mrs. Jeanette Tulumello, student council sponsor, and Ed Ring, student council president, serving as co-chairmen.

Head of the committee for the Friday night parade are Miss Carol Bean, Robert Chandler, and Robert Willert of the faculty and Carol Cervinka and Marilyn Furlan, co-chairmen of the council.

Bonfire committee—Miss Patricia Howard, and John Grady; Karen Rentner, and Robert Eklund, co-chairmen.

Queen and court—Miss Mary Donovan and Miss Theresa Wehr; Joan Forbrick, Sheryl Mair, and Phyllis Petersen, co-chairmen.

Concessions—Donald Chispetta and Robert Chandler; Robert Terry and Edmund Reed, co-chairmen.

Programs—Richard Scott, and Robert Lambert; David and Robert Cain, co-chairmen.

Dance—Louis Chenette, E. W. Edwards and Lorraine Foster; Garret Seyfarth, Lynn Bolton, Marcia Hogan, and Milt Wolf, co-chairmen.

Invitations—Mrs. Veva Buchholz, Joanne Haydon, Joan Mair, and Janet Rodgers, co-chairmen.

Publicity—Theresa Wehr, Warren Polley, and Eileen Schutte; Nancy Rentner and Fred Clarke, co-chairmen.

Football game—Paul Kessenich; Ticket sales, M. M. Stillson; decoration of field—Paul Kessenich; Warren Brownlee and Bill Barnstable, co-chairmen.

Mr. and Mrs. John Walter, formerly of this area, are situated in Marathon, Fla., where Mr. Walter has the dealership of the Evinrude Outboard motor. They are building a combination shop and home at Vahalla Beach. Completion is scheduled for November.

Volunteer Police Patrol Suggested by C. of C. As Way to Prevent More Burglaries in Antioch

PROCLAMATION VILLAGE OF ANTIOCH
Whereas, seventy-five years ago marked the invention of the first practical incandescent electric lamp; and

Whereas, the country and the world forever will honor the accomplishments and memory of Thomas Alva Edison, the inventor of the lamp and so many other electrical innovations; and

Whereas, special observance is being accorded his great contribution to the comfort and pleasure of human existence and to the industrial and scientific progress of the world; and

Whereas, this year of 1954 is being celebrated throughout the land as Light's Diamond Jubilee, symbolizing Light for Freedom and Power for Progress;

Now, Therefore, I, J. W. McMullen, President of the Village of Antioch, do hereby proclaim the period from October 17 through October 24 as Light's Diamond Jubilee Week, and urge all citizens to devote these days to a re-appraisal of the benefits we have enjoyed from the accomplishments of Thomas Alva Edison, and that we may give appropriate attention to the events that mark Light's Diamond Jubilee.

Dated this 7th day of September, A. D. 1954.

Schedule of Classes, Adult Evening School, Organized by Teachers

The schedule of classes for the Antioch Township High School Adult Evening school has been organized by the instructors and the adults.

The refresher English class will meet on Tuesday, Oct. 12, from 7 to 9 p. m. for its first class session. Miss Carol Bean is the teacher.

Metal Crafts under the instruction of Robert Lambert will meet on Wednesday, Oct. 13, from 7 p. m. to 9 p. m.

Louis Chenette, director of music, indicates that the mixed chorus will conduct its first practice Thursday, Oct. 7 from 7 to 9 p. m.

Melvin Stillson's woodworking classes will meet on Wednesday and Thursday of each week. Classes to start this past week.

Beginning shorthand taught by Miss Eileen Schutte will start their first session Tuesday, Oct. 12, from 7 to 8 p. m. This class will meet twice a week on Tuesday and Thursday for one hour.

Warren Polley will teach the beginning typing class on Wednesday, Oct. 13, from 7 to 9 p. m.

The sewing class, taught by Mrs. Veva Buchholz, will meet Thursday, Oct. 14, from 7 to 9 p. m.

Adults of the Antioch community who are interested in the above evening classes should attend on the night specified and register with the instructor. Some of the classes are in need of more students to keep them going. The fee is \$10 per subject and ten people must be enrolled in a course to maintain it.

John Scott of Allendale will teach beginning, intermediate and advanced art on Thursday, Oct. 14, from 7 to 9 p. m. Those who are interested in special fields such as lettering, poster work, anatomy for artists, beginning sculpture are welcome to attend. Due to numerous requests for a grade teachers class in elementary art Mr. Scott will accommodate this need provided there is adequate enrollment.

Largest Dairy Show Soon on in Chicago

Chicago—The spotlight of the dairy world will focus on Chicago Oct. 9-16 when the continent's top dairy herds will be on view here in the International Amphitheatre.

The second annual International Dairy Show, and World Championship Rodeo in conjunction, will attract the year's largest showing of the five dairy breeds and Milking Shorthorns—known as dual purpose cattle for their production of both beef and milk.

The entry of approximately 2000 animals comes from 500 dairy cattle breeders in 27 states, Canada and Cuba.

Mrs. Yaffee Urges Antioch Women to Support Blue Ballot

Mrs. Robert M. Yaffee, speaking to the Antioch Woman's club Monday afternoon at the Illinois State Conservation Training camp urged all-out support for the Blue Ballot Reapportionment amendment which will be submitted to Illinois voters at the November 2 general election.

The amendment would re-map the legislative districts in the state is a fair compromise, recognizing the basic interests of downstate, the city of Chicago, and the suburban towns of Cook county. It is supported by leaders of both political parties and by 77 business, labor, farm and civic organizations throughout Illinois.

Constitution Is Ignored
Mrs. Yaffee pointed out that the present constitutional provision that the state be reapportioned every 10 years on the basis of population has been ignored by successive Legislatures since 1901, and there has been no change in the Legislative map for half a century.

The result is:
1. Millions of people in Illinois are deprived of their right to a full and equal vote.

2. Legislators representing tiny, vest-pocket districts on the near west, near north, and near south sides of Chicago vote in powerful needed legislation.

3. There is a moral breakdown in government resulting from the ignoring of a basic Constitutional requirement and resulting from the lack of true representative government.

Mrs. Yaffee declared "The Blue Ballot" Reapportionment amendment offers the people of Illinois their first opportunity in 50 years to make their legislature truly representative, to eliminate "bloc" domination and minority rule. The Amendment will be adopted if the majority of the citizens going to the polls on Nov. 2, or two-thirds of those voting on the Blue Ballot proposition itself, vote "Yes."

The Antioch Chamber of Commerce came up with a plan before the village board Tuesday to give greater police protection to the community.

Under the plan, the business men would form an association in providing free patrol service.

The business men would take turns in doing patrol duty at nights after the regular patrol hours of the village police. They would operate under the direction of the police department, but would supply their own uniforms.

The business men would organize in a manner similar to that of the Antioch Rescue Squad.

The proposal followed a series of local burglaries in which considerable loot was obtained. Each one of the burglaries occurred after the police quit their patrol for the night. Because of the lack of money the sheriff's office has had to curtail its patrol work throughout the county.

Mayor James McMullen thought the plan a good one and the village board will give consideration to it.

election.
Mrs. Yaffee, of 2028 Crescent, Waukegan, called the issue "the most important opportunity that Illinois voters have had in years to reduce the power of 'bloc' legislators, restore true representation in the Legislature, and to achieve good state government."

Lake Zurich Dealer to Head Agriculture Census

Appointment of Edward A. Lusk of Lake Zurich as crew leader for the 1954 Census of Agriculture was announced today by Field Supervisor, Edward A. Moss.

Mr. Lusk will direct a force of 17 enumerators who will canvass all farms in Lake County. He reported on Oct. 4 to the census agriculture field office in Chicago for a week of training.

The crew leader is one of the key people in the field operations of the Census of Agriculture. It is his responsibility to train the enumerators and supervise their work; plan and allocate work assignments; review the work of the enumerators and take remedial action where necessary, and to conduct difficult enumerations.

After attending the training conference, Mr. Lusk will return to his district where he will spend three weeks recruiting enumerators, checking enumeration district boundaries, and training enumerators in preparation for the start of the census on Nov. 3.

Over one million pounds of milk were produced at Bel Rue in each of the last 2 years. They have maintained a herd average of over 400 pounds of fat on 100 milking cows in these years. In their breeding these animals combine some of the best blood of Burke and Rag Apple bloodlines to be had.

SALE STARTS AT 10:30 A. M. EACH DAY
LUNCH WILL BE SERVED

Sale to be held in a comfortable tent.

Is a healthy herd; clean on blood and TB. Calfhood vaccinated; udders sound.
